This is a decision on the petition under 37 CFR 1.137(b), filed June 28, 1994, to revive an unintentionally abandoned application.

The petition is granted.

Since this application is being revived for purposes of continuity only and since continuity has been established by this decision reviving the application, the application is again abandoned in favor of the continuing application.

If the continuing application is one filed under 37 CFR 1.60 or 1.62, applicant must file a written notice in the continuing application within ONE MONTH from the mail date of this decision indicating that the present application has been revived for purposes of continuity and, accordingly, that the continuing application complies with the copendency requirements of the rules.
